## EDUCATION

---

**University of British Columbia, Vancouver, BC** **09.2021 – Present**  
PhD Student in Population and Public Health

**University of Washington, Seattle, WA** **09.2018 – 08.2021**  
MPH in Epidemiology  
Graduate Trainee, UW Center of Excellence in Maternal and Child Health  
Graduate Trainee, UW Center for Studies in Demography & Ecology  
Advisor(s): Mary A. Kernic (Chair), Thomas Lumley  
Thesis: "Examining the scope of homicide-suicide perpetrated by law enforcement: A population-based retrospective study using multiple frames, 2003 – 2017"

**Saint Joseph's University, Philadelphia, PA** **08.2012 – 05.2016**  
BS in Psychology, Criminal Justice, and Linguistics, *Phi Beta Kappa*  
Advisor(s): Kim Logio  
Thesis: "A geospatial analysis of violence in Philadelphia high schools"

BA in Linguistics, *Cum Laude, Departmental Honors Distinction*  
Advisor(s): Alexander Skolnick, Jennifer Ewald, David Sorenson  
Thesis: "By any other name: Investigating emotional responses to the language of sexual transgression"

**Valencia, E.** “A linguistic evaluation of police interrogations: Question types and efficacy.” Summer Scholar Research Symposium, Saint Joseph’s University. Philadelphia, PA, November 2015.

**Valencia, E.** “Investigating emotional responses to the language of sexual deviance.” Eastern Psychological Association Annual Conference. Philadelphia, PA, April 2015.

## **PROFESSIONAL EXPERIENCE**

---

**Public Health – Seattle & King County, Seattle, WA** **08.20 – 06.2021**  
Disease Research Investigation Specialist I, COVID-19 Contact Tracing Program

- Interviewed newly diagnosed COVID-19 cases to ascertain symptomology, medical history, and close contact information. Outreached to close contacts to issue quarantine guidance and monitor for symptom development.
- Collaborated with program epidemiologist to develop quality assurance protocols, including record de-duplication between county and state health departments and surveillance of data entry errors.
- Implemented mixed-methods study of language-based disparities in data quality, under supervision of lead epidemiologist. Presented findings to team members and management-level staff from partner public health programs.

**University of Washington School of Public Health, Seattle, WA** **01.2019 – 01.2020**  
Graduate Research Assistant, Department of Epidemiology

- Supported data management and analysis using Stata and MS Access for projects concerning the epidemiology of intimate partner violence (IPV).
- Collaborated with King County Prosecuting Attorney’s Office to abstract records from King County Superior Court databases.
- Reviewed IPV reporting standards for King County law-enforcement agencies and developed abstraction protocol for digitized records.

**University of Washington School of Medicine, Seattle, WA** **01.2017 – 12.2018**  
Research Analyst I, Department of Psychiatry & Behavioral Sciences

- Coordinated quantitative and qualitative data collection for city, county, and state-level evaluations of juvenile justice behavioral health interventions.

- Collaborated with juvenile court administrators and community-level service providers in Kitsap and Snohomish counties to develop a housing stability intervention model for court-involved youth. Managed intervention development workshops (3 per county).
- Lead database design, management, and survey data collection for a pilot evaluation of an “Opportunity Based Probation” (OBP) model in Pierce County juvenile court. Conducted and analyzed interviews of youth and families receiving OBP supervision. Co-authored analytic reports on pilot evaluation progress. Co-presented pilot evaluation findings at professional conference in Washington, D.C.
- Lead process evaluation of the “Theft 3 and Mall Safety” (T3AMS) diversion pilot coordinated by King County’s *Best Starts for Kids* initiative and the Westfield Southcenter Mall. Represented University of Washington interests at monthly stakeholder meetings.

## HONORS AND AWARDS

---

<b>08.2021</b>	<b>UBC Faculty of Medicine</b> Faculty of Medicine Graduate Award
<b>08.2021</b>	<b>UBC Office of Graduate and Post-Doctoral Studies</b> President’s Academic Excellence Initiative Ph.D. Award
<b>01.2021</b>	<b>UW Center for Studies in Demography &amp; Ecology</b> CSDE Student Travel Award (Declined)
<b>05.2016</b>	<b>Saint Joseph’s University Honors Program</b> University Honors Program Distinction
<b>05.2016</b>	<b>Saint Joseph’s University Department of Sociology and Criminal Justice</b> Kane Sociology Award
<b>01.2016</b>	<b>Saint Joseph’s University Sigma Xi Chapter</b> Sigma Xi Student Research Grant
<b>06.2015</b>	<b>Saint Joseph’s University Summer Scholars Program</b> Summer Scholars Research Fellowship in Sociology and Criminal Justice
<b>06.2014</b>	<b>Saint Joseph’s University Summer Scholars Program</b> Summer Scholars Research Fellowship in Psychology

## ADDITIONAL SKILLS

---

### Languages

English (native fluency), Spanish (advanced proficiency)

### Software

R and RStudio, Stata, SPSS, ArcGIS, Qualtrics, REDCap, Tableau, Microsoft Office Suite
